1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

Total In-Lieu-of Tax Payment		\$1,834.78

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

⁸ Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

⁹ Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

¹ Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

² Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

³ Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

⁴ Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

⁵ Does not include the acreage of state open space in the declining in-lieu-of tax program.

⁶ Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

⁷ The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

⁸ Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

⁹ Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

¹ Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

² Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

³ Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

⁴ Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

⁵ Does not include the acreage of state open space in the declining in-lieu-of tax program.

⁶ Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

⁷ The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

⁸ Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

⁹ Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

¹ Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

² Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

³ Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

⁴ Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

⁵ Does not include the acreage of state open space in the declining in-lieu-of tax program.

⁶ Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

⁷ The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

⁸ Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

⁹ Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

⁷ The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

⁸ Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

⁹ Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.

1 Land owned in a municipality by the State in fee simple, as of January 10, 2009, administered by the Department of Environmental Protection for recreation and conservation purposes.

2 Represents acreage of lands owned in fee simple by nonprofit organizations in the municipality that were certified exempt from property taxes in the year 2009 pursuant to P.L. 1974, c. 167 (c. 54:4-3.63 et seq.).

3 Less than 20% of a municipality in state and nonprofit tax exempt open space = \$2.00 per acre; 20% or more but less than 40% = \$5.00 per acre; 40% or more but less than 60% = \$10.00 per acre; and 60% or greater = \$20.00.

4 Per acre In-lieu-of tax program payments authorized by the "Garden State Preservation Trust Act", P.L. 1999, c.152. (GSPT Act).

5 Does not include the acreage of state open space in the declining in-lieu-of tax program.

6 Only lands owned in fee simple by nonprofit organizations that are permanently preserved by such means as a deed restriction or Green Acres encumbrance are included.

7 The Green Acres bond acts of 1971, 1974, 1978, 1983, 1989, 1992 and 1995 and the GSPT Act authorize the State to pay in-lieu-of tax payments to municipalities on a 13 year declining basis for lands purchased by the State. The 1969 Water Conservation Bond Act provides for in-lieu-of tax payments for lands purchased with funds from the bond issue. In addition, municipalities with nonprofit lands purchased with 1995 bond act or GSPT funds are eligible for 13 year declining state in-lieu-of tax payments.

8 Includes the acreage of state open space qualifying for 2009 declining in-lieu-of tax payments that exceeded the potential payments under the per acre in-lieu-of tax program. In cases where the per acre in-lieu-of tax program payments exceeded the scheduled declining payment, the acreages were included in the state open space acreage figure used to compute the per acre in-lieu-of tax program payment.

9 Includes the acreage of nonprofit lands purchased with funding assistance provided by the 1995 Green Acres bond act and GSPT Act. If the potential payments under the per acre in-lieu-of tax program exceeded the scheduled declining payment, the acreages of the subject nonprofit properties were included in the nonprofit acreage figure used to compute the per acre in-lieu-of tax program payment.
